

SHARING OF CONTACT DETAILS

You agree that all information you provided upon your registration is correct. You are solely responsible for the content of your communications with the UIA 2023 CPH congress secretariat and their legality under all laws and regulations.

CAP Partner has been appointed the official Congress Organizer for the UIA 2023 World Congress. CAP Partner will collect and store all personal data through the online registration system and will be treated by CAP Partner only for organizational purposes, in particular for matters in relation to the preparation and execution of the congress, here under registration and information about the congress.

Your data will not be passed on to any third party unless you have accepted this later in the registration process, where you can give the option to share with UIA 2023 exhibitors and sponsors.

By registering for the UIA 2023 World Congress, the participants give their consent that the organizer may take pictures and/or record videos at the event. This includes pictures and/or videos of the participants and/or their works (such as posters, excerpts of presentations, or lectures) during the congress for reports and promotion of UIA activities on the UIA 2023 CPH website, social media channels, and printed material.

If you identify yourself on a photo published by UIA 2023 CPH and wish to have it removed from the website, please send an e-mail to uia2023@cap-partner.eu.

Each participant receives a name badge carrying the family name and the first name of the participant as well as a QR code. Each participant shall consider that by accepting any scanning of the badge at an exhibition at the congress, the participant gives the authorization to UIA to transfer data of the participant such as name, country, affiliation and profession to the holder of the exhibition, including the authorization to use said data for marketing purposes.

By registering for the UIA 2023 World Congress, you give consent to receiving information on UIA activities and congresses. Participants can opt-out of receiving any further information at any given time.
